Cloud Control – Learning to Follow God
Exodus 13:21-22 (p 49); Numbers 9:15-23 (p 100)

Sunday, December 5, 2010 **Frank Mascaro**

Learning to <u>f o l l o w</u> God means that I am to learn to:

- <u>W a i t</u> (Num 9:1; Ps 27:14; 37:34: 130:5-6)

- <u>W o r s h i p</u> (Num 9:2, 15-16; Ex 33:7-11)

- <u>F o l l o w</u> (Num 9:17-23)

The next step…

Continue to *wait* with us and *remember* all that God *has done* and look with *anticipation* at what He *will do*.

Continue to *worship* with us and keep God as our *focus*, trusting in His *word* and *giving our lives to Him* for His use.

Learn with us to *follow* as we obey by remaining *attentive* to His will and taking the *steps* that He gives us the light to take
