

It's Never Too Late to Do What is Right!
Haggai 1:1-15 (page 656)

Sunday, November 19, 2006 Pastor Frank Mascaro

**My *misplaced* priorities hinder the work of
the Lord (1:1-6)**

- Selfish indifference leads to personal
disatisfaction.

**God does not leave me in ignorance
concerning His work (1:7-11)**

- Selfish neglect of God's work leads to God's
discipline.

**It is *never too late* for me to begin to respond
to God (1:12-15)**

- A *right response* to God means I will:
 - Obey His Word. (v 12a)
 - Worship Him. (v 12b)
 - Take action. (v 14)
- My obedience assures God's presence.
(v 13)
