The *old sacrificial system* was imperfect and temporary
(Heb 9:1-10)

- The earthly tabernacle pointed to Christ (vs 1-5)
- The priestly rituals provided a picture of the work of Christ (vs 6-10)

The *old sacrificial system* provided a limited:

- access to God
- effectiveness of the sacrifices

Jesus is the complete and final provision for a better
covenant (Heb 9:11-15)

Christ provides:

- complete access to God (vs 11-12)
- an effective sacrifice (vs 13-14)
- a better mediator of a better covenant (v 15)

Result:

Jesus ministers in a superior sanctuary by means of a
superior sacrifice
