God's protection may be experienced in many ways,
including by the intervention of:

- an intimate friend (1 Samuel 19:1-7)

- a realistic understanding of your situation
(1 Samuel 19:8-10)

- a close family member (1 Samuel 19:11-17)

- the Holy Spirit Himself (1 Samuel 19:18-24)

Life Lesson:

1. It is futile to fight against and resist the will of God!

2. God is able to protect and deliver His followers!
