

***Following Jesus in a Confused Culture:
Means Knowing How To Think
Colossians 3:1-11***

Sunday, November 16, 2008 Pastor Frank Mascaro

**God wants to *transform* how I t h i n k about my n e w
life *now* that I have trusted Christ (3:1-4)**

So that I will understand:

- who I am n o w (3:1-2)
- who I once w a s (3:3)
- who I will yet b e c o m e (3:4)

**God wants to *transform* how I t h i n k about my o l d
life *before* I trusted Christ (3:5-11)**

So that I will understand:

- my relationship to p e r s o n a l s i n (3:5-7)
- my relationship to p u b l i c s i n (3:8-11)

To think about:

Do I really believe what God says that Jesus has done on
my behalf?

Does my lifestyle reflect my belief or my unbelief?

Which of the sins listed in this passage do I have the most
trouble with? Why?

How will I be able to begin the process of overcoming it this
week?
