The *Resurrection* of Jesus Christ...

Reveals my need (vs 13-24)

- Life *without* the reality of the resurrection leaves me:
 - Hopeless, with unrealistic expectations (v 21)
 - Confused about the truth (v 22)
 - Disillusioned with the realities of life (v 24)

Enlightens my misguided thinking (vs 25-29)

- It is through the reality of the resurrection that I am *able to know*:
 - what the Bible says (v 27)
 - what the Bible means (v 27)
 - how the Bible applies to my life (vs 26, 44)

Awakens my heart to a new hope (vs 30-35)

- The reality of the resurrection enables me to:
 - see Jesus (v 31)
 - know Jesus (v 31)
 - experience Jesus (v 32)
 - declare Him to others (vs 33-35)
