Could there be any doubt that Christ was Heaven's Divine Interruption?! And yet, scripture tells us that when the time for Jesus' arrival on earth came to pass, no one recognized Him! (John 9:10-11)

How about you? Will you miss Christ this Christmas?

We must realize that there is no Christmas without Christ!

So what do we do? What will you do with Jesus this Christmas?

Will you allow heaven's divine interruption to make an impact on your life? How about your family? Your friends? Your coworkers?

He will not force himself upon you; it is up to you to decide if you will be interrupted by Christ. (Revelation 3:20)

Some day we will stand before our great King and He will simply ask us what we did with His Son? How will you respond?

This Christmas, stop worrying about all the busyness and distractions that typically come with Christmas and allow yourself to be interrupted by Jesus -- the best Interruption you ever had.
