***Taking it to the streets...***

When was the last time you shared your story about Jesus and His impact in your life with someone who didn't know Him? What happened? Can I do it more often? Why or why not? \_\_\_\_\_

Can you use the "outline" above to put your story of your faith into a form that would present what Jesus has done and what He means to you? Take the time and write it out this week. \_\_\_\_\_

Instead of simply defending himself, Paul seized the opportunity to weave the message of Jesus in with his own story, using the situation to tell this crowd about Christ. Think back – have there been opportunities that you have missed where you could have told people about Jesus? How can you be more aware of those times and be more prepared? \_\_\_\_\_

Do you think this is a fair question?... If, as a follower of Christ, I really believe that Jesus is the only way of salvation, then why don't I live with the urgency to tell others who need Him about Him? \_\_\_\_\_
