***Thanksgiving Assessment Questions:***

1. What is the state of my joy? Am I truly joyful or merely pursuing happiness?
2. Am I a glad worshipper or merely putting in my time at church?
3. Do I really know God or am I living a “fake it till I make it” life?
4. Do I intentionally enter God’s presence or only give Him my leftover time?
5. Do I daily, hourly, minute-by-minute remember that God is indeed good?

\*If I answered negatively to any of these questions, what am I going to do about it this Thanksgiving?!
