Misplaced priorities result in:

- distorted values (Gen 13:1-13)
- spiritual decline (Gen 14:1-16)
- eroded integrity (Gen 19:1-14)
- destructive consequences (Gen 19:16-38)

***Three questions* to help me avoid compromising my priorities?**

- Have I sought God's will in this decision?
- What will be the consequences of this decision?
- How will this affect other people in my life?
