"Water Walking Faith" requires that:

- I believe that God has a plan and it is good (14:22-23)

- I learn that storms are part of God's purpose to teach me to face my fears (14:24-26)

- I listen for the voice of Jesus (14:27-29a)

- I get out of the "boat" (14:29b-30)

- I believe that God's Word never fails (14:31-36)

Getting personal...

Did Peter fail? Did Peter succeed? What one thing did you learn most about yourself from Peter's response? _____

What is your "boat"? Are you ready to get out of the boat? Why or why not? _____

What would your response be to Jesus' question to Peter in verse 31 (*You of little faith, why did you doubt Me?*)? _____

Are you ready to take the *risk of faith* and follow Jesus in something you have never done before? What is it?

When will you "*get out of the boat*"? _____
