1. We have seen that when Jesus speaks, we are to:

HEAR RESPOND OBEY BECOME

2. Jesus is continually confronting our idolatry.

3. Following Jesus will interfere with my life.

4. Following Jesus means becoming so preoccupied with Him that we will begin to experience opposition from those around us - even those closest to us.

5. The gospel is BIGGER than us - we are to *testify* of God's GRACE (blessing) and thus *extend* God's GLORY (His image) to the whole earth.

6. Making disciples is about taking responsibility for teaching others to grow, obey, and reproduce.

7. When death is viewed as a reward, we will be set free to live a radical faith
